## Summary

---

Enthusiastic Computer Science Engineer with a profound affinity for web technologies and software development. Proficient in crafting captivating user interfaces and experiences through HTML, CSS, and JavaScript, while also possessing a keen sense of UI/UX design principles. Moderate level proficiency in Python and C++ for efficient and innovative coding solutions. Eager to apply this diverse skill set to collaborative projects that push the boundaries of technology and user-centric design.

## Professional Experience

---

Creatives Associate September 2023–Present  
Microsoft Learn Student Ambassadors SRM

- Applied UI/UX design principles, creating intuitive digital experiences.
- Proficient in design tools (e.g., Adobe Creative Suite, Figma) for visually appealing interfaces.
- Contributed to graphic design projects, enhancing the visual identity of MS Ambassadors SRM initiatives.
- Engaged in creative problem-solving and ideation sessions, fostering innovation within the team.

Technical Team Member September 2023–Present  
Cherry+ Network

- Proficient in HTML and CSS, demonstrating expertise in building visually appealing static web pages.
- Familiarity with dynamic front-end development, utilizing React and JavaScript to create interactive and responsive web applications.
- Exposure to streamlined UI development using Bootstrap, Tailwind CSS, ensuring efficient and maintainable styling for web interfaces.

Technical and Creatives Team Member September 2023–Present  
Hexadynamics

- Currently engaged in developing a website for the club, focusing on user-friendly interface and aesthetic appeal.
- Contributed to the creative aspects of Hexadynamics, infusing innovative and engaging designs into the club's digital presence.

## Education

---

SRM Institute of Science and Technology, Kattankulathur, Tamil Nadu  
Bachelor of Technology in Computer science,  
CGPA-8.72

## Skills

---

HTML, Cascading Style Sheets (CSS), JavaScript, React.js, Node.js, User Interface Design, Figma (Software), MATLAB, Machine Learning, Data Analysis
